Mike:
Will you update the bowling pdf noting a fee of \$10 per Peter's suggestion, i.e" Bowling Fee: \$10"

Thanks,

Dad
PS:

Both Peter and Cathy really liked the flyer. They said it looks great. Note, Peter will have it projected in the church services.

Hi Walt,
Thanks for all your contingency calculations. Let's set the price per person at \$10. We'll subsidize the difference between actual costs and participant payments with monies from the Bridges account.

if you can send us your updated flyer noting the \$10 cost, we'll have postcard advertisements produced as well as a projection slide for use in the church announcements.

Thanks again,
Peter

Attached is the updated flyer with the \$10 fee. I'm attaching both a PDF for printing and a JPEG for screen slide.
